Did the Prophet Daniel See the Future?

Daniel 12:4: (KJV) *But thou, O Daniel, shut up the words, and seal the book, even to the time of the end: many shall run to and fro, and knowledge shall be increased.*

Special Guest: Bob Goodman

Everybody seems to want to know what is going to happen in the future. We are so interested in the future of our own lives as well as the future of the world that a multi-million dollar industry has emerged, based on telling us what will be. From astrologers to palm reading to tarot cards to fortunes to those who pose as mouthpieces of God to those who claim to be in touch with the spirit world - all of these endeavors are there to draw you in and take your money in exchange for a look at the unknown. Meanwhile, back in the real world, there is an ancient book that is full of prophecy and truth called the Bible. While it does not tell us the future, it does show us many things about what it looks like... Let's look!

Do to the length and depth of this subject matter, a Summary Only Rewind is not available. Please sign up for the **Full Edition** in order to follow along visually with this exciting program!
